

WILL The PHARISEES THROTTLE A HALF-BILLION CHRISTIANS IN 1965?

By Elizabeth Dilling

Box 659, Chicago 90, Ill.

The coming Ecumenical Conference in Rome, September, 1965, is expected to crown with success the longtime, fabulous, worldwide campaign of organized Pharisaism against Christianity. It is eagerly anticipated that 571,927,000 Catholic Christians will be throttled into denying the Gospel accounts of the Crucifixion of Christ, and into discrediting the enlightened Popes who, down the centuries, caused the Talmud to be burned on the public squares and placed it on the Index of books deemed unfit for Christian reading, because of immorality and blasphemy. It is, indeed, on the Papal Index today — April, 1965.

Some 2,400 members of the Ecumenical Council are expected to be maneuvered into voting for a Resolution declaring that the Jews in Christ's time were not guilty of causing His Crucifixion — the Apostles Matthew (see chapter 27); Mark (chapter 15); Luke (chapter 23); John (chapter 18-19, herein) to the contrary notwithstanding.

The above Resolution is intended to cause a Papal Edict to the same effect.

The TALMUD is the written form of the Tradition of the Pharisees, and the sole, supreme authority of the only form of Judaism surviving since 70 AD. To cite the Universal Jewish Encyclopedia (1943, 1948) under "PHARISEES":

"The Jewish religion as it is today traces its descent, without a break, through all the centuries, from the PHARISEES . . . The TALMUD is the largest and most important single piece of that literature . . . and the study of it is essential for any real understanding of PHARISAISM."

To cite the Jewish Encyclopedia (1905) under "Pharisees": "... with the destruction of the Temple" (70 AD) "the Sadducees disappeared altogether, leaving the regulation of all Jewish affairs in the hands of the Pharisees. A new chain of tradition supplanted the older, priestly tradition. Pharisaism shaped the character of Judaism and the life and thought of the Jew for all the future."

The "Lamp of Judaism"

Rabbi Louis Finklestein, head of the Jewish Theological Seminary of America, was one of the 120 Jews chosen by the organized world Jewish communities (kehillas), in 1937, as best holding up the "lamp of Judaism" to the world. In his 1949 history: "The Jews — Their History, Culture, and Religion" (Vol. 4, p. 1332; Jewish Pub. Society of America), he writes that today: "any decision regarding the Jewish religion must be based on the TALMUD."

Today — The TALMUD on CHRIST

The TALMUD teaches that Mary, Mother of Christ, was a whore and adulteress who spawned Him by a Roman soldier, Pandera. That Jesus tried to seduce women, had intercourse with animals, was a betrayer, a fool. That one should always speak against Him unless this might endanger Pharisees in general. That He deserved FIVE sadistic deaths; namely:

Sinking in dung to the armpits and strangling; sinking in dung to the armpits and boiling lead poured down His pried open mouth; decapitating; stoning to death; and Crucifying as a "blasphemer" of Pharisaism — which He certainly WAS!

The TALMUD and MORALS

Sodomy in general is sanctioned, and, in particular, with dead bodies, little tots, neighbors' wives, and with one's own wife. The adult man who rapes baby girls under three, is held to be blameless and pure, in

book after book of the TALMUD. A baby girl three years and one day old may be acquired as a wife "by coition."

Non-Pharisees rank as "the people who are like an ass — slaves who are considered the property of the master" — the Pharisee (Kethuboth 11a, etc.). The non-human "gentile" may be killed, cheated, his wages withheld, etc., just as long as this does not endanger fellow Pharisee "humans." If one were trying to kill a gentile and in the process killed a Jew, one would not be guilty — the sanctifying motive would spare one from guilt.

Is it any wonder that Christ charged the Pharisees with making the Commandments of God of no effect through their Tradition? (Matthew 15:6; Mark 7:9, 13).

Pharisee Tradition is TALMUD

The Pharisee "Oral Law" or "Tradition" was put into written form in Sura, Babylonia in 500 AD. as the Babylonian Talmud, as the one, supreme, "religious" guide of Pharisaism. Since 70 AD so-called "Judaism" has been Pharisaism, which Christ denounced in unmatched terms of fire. Take Matthew 23 and John 8:37-44 as a sample! The Scripture-believers had accepted Christ as the long Promised One and no longer called themselves "Jews." The Sadducees, as stated by the Jewish Ency., disappeared, and only the Pharisees remained, and took over the pose of Old Testamentism under a "whited sepulchre" of pretence. Christ told them they were the **killers of the Prophets** and would go on persecuting and crucifying until guilty of all the righteous blood from the foundation of the world (Matt. 23:31-35). In His Revelation to John (96 AD) from the Spirit, He referred to those who were calling themselves "Jews" as the "synagogue of Satan" (Rev. 2:9; 3:9). He connected the whorelike mind of the seventh, RED world government we are now in, with the Pharisees: "And in her was found the blood of the Prophets, and of saints." (Rev., or Apocalypse, 18:24).

The Egyptian, Assyrian, Babylonian, Medo-Persian, Greek, and Roman were six of the seven world governments of which Christ said: "There are seven kings" (or kingdoms) "five are fallen, and one is" (in power — the Roman) "and the other is not yet come . . . and goeth into perdition" (Rev. 17:10). We are in the Red World setup, and the "falling away" in the churches foretold in II Thessalonians, Chapter 2 is here.

Why is The TALMUD on the PAPAL INDEX?

The above question would never be asked by anyone who knew the sewerlike character of the Tradition of the Pharisees in its written form, the Babylonian Talmud. Was it not right that such Popes as GREGORY IX in June, 1239, wrote Kings and Bishops to confiscate the TALMUD on the ground of its immorality and blasphemies against Christianity? Many carloads were burned in 1242 and 1248.

Bulls of INNOCENT IV continued the attacks on the TALMUD, in 1244, 1247, with confiscation and burning.

ALEXANDER IV (1254-61) ordered the King of France and Duke of Burgundy to forbid the TALMUD. HONORIUS IV in his Edict, or Bull, of Nov. 30, 1286, sent to England, referred to the doubtful morality of Jewry, attacked the TALMUD, and asserted that the Jews daily cursed Christianity. This, of course, is true today also. In the Shemoneh Esreh, or Eighteen Benedictions, the 7th and 12th curse the Christians. The Orthodox recite these three times week days and four times sabbaths, thus giving the Christians six or eight daily curses. Julius III in 1553 ordered the

burning of the Talmud, just as Clement IV (1265-68) had ordered confiscation of all copies of the Talmud. JOHN XII in 1320 issued a terrific Bull against the Talmud, which was burned in Rome in 1322. CLEMENT XII instituted a massive confiscation of Jewish books. BENEDICT XI (1740-58) ordered invasion of the ghetto to confiscate forbidden Jewish books because of their immorality and blasphemy. PIUS VI (1775-99) issued a severe edict against TALMUDIC and CABALISTIC BOOKS (the Cabala being the voodoo part of Pharisaism).

BENEDICT XIII issued his "Etsi Doctoribus Gentium" against the TALMUD and any other Jewish book attacking Christianity. And, in 1417, another Bull against the TALMUD. And so on.

Was it without cause that PIUS IX maintained a ghetto in Rome until abolished by the Italian occupation in 1870? Was it without cause that LEO XIII (1878-1903) denounced Jews as enemies of the Church and honored the anti-Pharisee Edouard Drumont who wrote "La France Juive" (Judaized France) which went into some hundred editions?

If the Pharisee campaign forces the Ecumenical Council and the Pope to deny that Jews, who NOW teach that Christ deserved Crucifixion plus four other deaths, are not now and never were guilty of such teachings, as charged by the New Testament, will it not raise the question as to WHY the TALMUD is on the Papal Index today? The official Soncino English translation of the TALMUD, put into a common language for the first time, volume by volume (1936-48), is on sale by the Jewish Publication Society of America, Philadelphia, Pa. (usually \$210 per set). Pray God that members of the Ecumenical Council will READ the TALMUD before voting as Jewry demands and help save world Christianity, of which the Catholic section is nearly two-thirds, from the foes of Christ.

"Be ye not unequally yoked together with unbelievers; for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness? And what concord hath Christ with Belial? or what part hath he that believeth with an infidel? . . . Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing and I will receive you." (II Corinthians 6:14-17.)
